STATUS

Please do not upgrade the App before downloading the trial. You keep the trial time ready, and never stop learning!

DAILY INSPIRATION

- [Smashing Magazine \(http://www.smashingmagazine.com/\)](http://www.smashingmagazine.com/) – One of the best places to get great articles, tutorials, and resources
- [Css-Tricks \(http://css-tricks.com/\)](http://css-tricks.com/) – Updated frequently with new CSS and jQuery tutorials
- [UX Movement \(http://uxmovement.com/\)](http://uxmovement.com/) – One stop shop for everything UX
- [Web Designer Depot \(http://www.webdesignerdepot.com/\)](http://www.webdesignerdepot.com/) – Chock-full of articles, tutorials, and inspiration
- [Codrops \(http://tympanus.net/codrops/\)](http://tympanus.net/codrops/) – Tons of demos, freebies, and tutorials

LEARN TO CODE

- [Dash \(https://dash.generalassemb.ly/\)](https://dash.generalassemb.ly/) – Build small web design related projects right in the browser
- [Practice your selectors \(http://flukeout.github.io/\)](http://flukeout.github.io/) – Fun and free way to practice complex CSS selectors
- [Code Academy \(http://www.codecademy.com/\)](http://www.codecademy.com/) – One of the best ways to learn how to code is to start coding a little bit every day
- [TutsPlus \(Code\) \(http://code.tutsplus.com/categories/html-css\)](http://code.tutsplus.com/categories/html-css) – Hundreds of HTML & CSS tutorials, updated fairly frequently
- [CodePen \(http://codepen.io\)](http://codepen.io) – Build and design small components with HTML & CSS right in the browser. Save and share them as well.

LEARN TO DESIGN

- [Color Template \(http://www.rocket-design.fr/color-template/\)](http://www.rocket-design.fr/color-template/) – Learn how to make beautiful color pallets for your projects
- [HackDesign \(https://hackdesign.org/\)](https://hackdesign.org/) – Get design lessons and challenges in your inbox weekly
- [Good UI \(http://goodui.org/\)](http://goodui.org/) – Great UI/UX micro-lessons, updated weekly.
- [TutsPlus \(Design\) \(http://webdesign.tutsplus.com/\)](http://webdesign.tutsplus.com/) – Hundreds of web design related tutorials

JOIN THE COMMUNITY

- [Dribbble \(http://dribbble.com\)](http://dribbble.com) – Invite only as of this writing, but you can still browse all the great work
- [Forrst \(http://forrst.com\)](http://forrst.com) – Designers and developers showcasing their work and helping each other
- [Stack Overflow \(http://stackoverflow.com\)](http://stackoverflow.com) – Great place to help and get helped with tough coding issues
- [GitHub \(https://github.com/\)](https://github.com) – Check out great projects and contribute to open source

Hope these help, and if you ever run across something that you think would be beneficial to add to this list don't hesitate to drop a link in the comment section below!
